One (1) Tournament Prize, valued at \$1,000, will be generated for every 5.5 Entry Fees received (the "Tournament Prize Formula").

A Player who accumulates 65,000 in tournament chips ("The Milestone") or more will instantly be awarded a \$1,000 Main Event seat. Upon verification from the tournament supervisor that the player has achieved the Milestone, the player will cease play and all their chips will be removed from play.

The Tournament will conclude when the number of players remaining is equal to the number of \$1,000 prizes, less the amount of players who have previously won the prize by reaching the Milestone. Any Tournament prize pool residual funds, less than a full \$1,000 prize, will be paid to the last player eliminated prior to the conclusion of the Tournament.

It is the responsibility of each individual entrant to notify the dealer or Tournament Supervisor when they have reached 65,000 in tournament chips.

A player who is dealt into a subsequent hand after achieving the Milestone will be required to complete the hand prior to being awarded the Tournament Prize. If, at the completion of the additional hand, a players' chip total falls below the Milestone they are not eligible to receive the Tournament Prize until their chip total is once again equal to or greater than 65,000.

A Tournament Supervisor must be called to verify the tournament chip count of a player who is making a claim for a Tournament Prize. Players may request that a Tournament Supervisor count their stack at any time between hands.

A player who assists another in counting their chip stack or notifying them that they have reached the Milestone is not in breach of the rules.

Any form of collusion, including the removal of tournament chips from the table, may result in penalty up to and including disqualification.

Satellite will award as many seats as possible with the remaining money going to the next placed player. Management reserves the right to alter or cancel promotion / tournament at any time.
